

SN BATTERIES SALES & SERVICE

Website Product Requirements Document (PRD)

PROJECT OVERVIEW

Develop a premium, modern, responsive corporate website for **SN Batteries Sales & Service** that represents the brand as one of Bengaluru's trusted battery sales and service networks.

The website should create a strong first impression, build customer trust, showcase products and services professionally, highlight the branch network, and encourage visitors to contact the nearest branch.

The overall design should feel premium, clean, elegant, and user-friendly rather than looking like a traditional battery shop website.

DESIGN STYLE

The website should follow a premium corporate design language inspired by:

- Apple
- Stripe
- Vercel
- Linear
- Razorpay
- Zoho

Design Principles

- ✓ Premium & Modern UI
- ✓ Clean Layout
- ✓ Large White Spaces
- ✓ Professional Typography
- ✓ Soft Shadows
- ✓ Rounded Corners
- ✓ Glass Effects (where appropriate)

- ✓ Smooth Hover Animations
 - ✓ Micro Interactions
 - ✓ Elegant Icons
 - ✓ Mobile First Design
 - ✓ Fully Responsive
-
